Housing

Community & Family Services - Weatherization

(260)726-9318

325 S Oak St # 104, Winchester, IN 47394

The Weatherization Assistance Program (WAP) provides energy conservation measures to reduce the utility bills of low-income residents within our six counties. Our clients are offered a permanent solution to reducing their energy bills by making their homes more energy efficient. This process would include protecting your home from the elements, such as wind, sunlight, and rain.

**Community & Family Services - Housing Choice Voucher Program
(Section 8)**

(260)726-9318

325 S Oak St # 104, Winchester, IN 47394

The Housing Choice Voucher Program is designed to help low income individuals and families find rental assistance which is provided through tenant-based "vouchers" that pay the difference between the total rent charge (including utility costs) and 30%-40% of a household's adjusted income. Participants find housing to fit their specific needs in the open rental market. It can be a family home, apartment, duplex or mobile home. Eligibility for the Housing Choice Voucher Program is based on a family's household income.

Rapid Rehousing & Homeless Prevention Program

260-224-6100

rrhp@comfam.org

The Rapid Rehousing & Homeless Prevention (RRHP) program was awarded funds to offer various forms of financial assistance for those in crisis. The purpose of this program is to prevent homelessness by assisting with security deposits, rent arrearages, reconnection of inactive utility services, and prevention of utility disconnection. The Homeless Prevention Program promotes financial stability through education and on-going case management guidance in regard to budgeting within our means, as well as an introduction to utilizing available local resources.

Region 7 office, 3620 N Everbrook Ln F, Muncie, IN 47304

We offer an array of human services to Indiana children and families. Guided by our vision of a healthy family for every child, highly-trained case managers identify and address issues that tear families apart. They do so in different ways: Prevent – Empower families with professional support and community resources to eliminate issues that lead to entry into the child welfare system. Intervene – Work with families who find themselves in the "system" to accomplish the required goals to keep their children. Protect – Recruit and strengthen foster and adoptive homes. Support – Mentor older youth transitioning from foster care to independent living.

Indiana Youth Institute

Alison Palmer: apalmer@iyi.org

Young people need to know that someone cares about them. Their daily challenges can often make them feel like they don't matter. Mentoring changes that. Research shows that a quality mentoring relationship can have a resoundingly positive impact on our young people's lives. This extends beyond their personal growth and development and extends into their academic and future professional lives.
